2018 Wandermere Men's Club

Welcome to the 2018 Wandermere golf season. Thus far we are experiencing a fairly normal winter and hopefully the course will be ready for play this spring. The tournaments scheduled for this year have been reduced compared to last season and we have kept those having the most participation. The Thursday @ the Masters and US Open will also be on the schedule.

The Men's Club continues to welcome new members and growth, making us the best in Spokane. This year the focus will be getting more participation from our members, both young and old, especially in our tournaments. The Rabbit during the week (Thursday-Sunday, at noon) continues to draw members, new and regular, a mainstay at Wandermere.

There are some changes to note this year. GHIN has increased their fee and hence the annual dues will reflect this, plus the anticipation of an increase next year. The old house on No. 1 fairway is no longer. The monthly horse races have been replaced with putting contests primarily due to lack of interest from the majority of participants in the rabbit. Putting contests will begin at 5:30 PM on meeting nights and meetings will begin at 7.00 PM on the last Thursday of every month. Please refer to schedule, there will be no variables in the times.

Our first meeting will be on March 29th at 7 PM and of course the traditional free spaghetti dinner at 6 PM. Dues for 2018 must be paid to participate. You can pay dues in the pro shop prior or in the clubhouse before the dinner/meeting begins.

The Kick Off Tournament is scheduled for March 31st. Most tournaments will start at 10:00 AM with sign up cards available in the pro shop. The Thursday before each tournament is normally the cutoff for signing up, however, space available, late entries will be accepted. Tournament fees have also been increased due to rising costs. Lunch or dinner will be provided for all tournaments. The schedule has been kept simple with only Wandermere related and Herb's tournaments listed.

The Men's Club wishes to thank past president Keith Ross for his hard work and dedication for the last several plus years. Also, much thanks to the entire Wandermere staff, grounds crew, kitchen, bar and Herb. We are Wandermere because of them !
